

ASSOCIATION OF AGROMETEOROLOGISTS ANAND-THRISSUR CHAPTER
IN COLLABORATION WITH
STUDENTS' COMPUTER CENTRE
COLLEGE OF AGRICULTURE, KAU, VELLANIKKARA

Five day training programme on
Smart Mapping for Smart Decisions:
A Training in GIS, Remote Sensing & Cloud-Based Analysis

Last Date to Register
09th January 2026

Fee ₹ 2000/-

50% OFF
For Students

Note: Registration fee excludes food and accommodation

Venue: Students' Computer Centre, CoA, KAU, Vellanikkara

12th - 16th
January 2026

Seats: 30*
***On first-come first-served basis**

Training Objectives

Satellite Data
Acquisition &
Visualization

Foundation in QGIS- A
powerful open source
GIS software

Green Space Analysis
and Site Suitability
Analysis

Cloud computing
using Google Earth
Engine

ABOUT THE ORGANISING TEAM

Kerala Agricultural University, Vellanikkara

Kerala Agricultural University (KAU) is a state agricultural university located at Vellanikkara, Kerala, and is recognized by the Indian Council of Agricultural Research (ICAR). It plays a key role in supporting the sustainable development of agriculture in the state by providing skilled human resources and technologies through education, research, and extension activities in areas such as crop production, forestry and allied sectors.

Department of Agricultural Meteorology

The Department of Agricultural Meteorology is a statutory Department and established in 1988. Two-year - postgraduate Programme “M.Sc. (Ag.) Agricultural Meteorology” was commenced during the academic year 1994-95. The faculty are committed in guiding research scholars in diverse fields such as crop weather relationship studies of different crops, statistical and crop simulation models, climate change studies, microclimate modification, temperature stress studies on crops, remote sensing and GIS.

Association of Agrometeorologists Anand -Thrissur Chapter

Since its inception in 1999, the Association of Agrometeorologists (AAM) has been expanding in all the directions. Association has been able to reach not only to meteorological and agrometeorological communities but also amongst a wide spectrum of scientists across the globe of allied fields. The Association of Agrometeorologists - Anand, Thrissur Chapter, was established in 2019. The organization conducts various programmes on occasions such as World Meteorological Day, World Environment Day etc. The chapter also organized a National Seminar, AGMET-2020, in January 2020, which provided a national platform for scientists, researchers, academicians, and students to interact and share knowledge in the field of agrometeorology.

Course Directors

Dr. B. Ajithkumar, Professor and Head, Department of Agricultural Meteorology & IT Nodal Officer, College of Agriculture, KAU, Vellanikkara

Dr. P. Shajeesh Jan, Assoc. Professor & President Association of Agrometeorologists Anand -Thrissur Chapter, KAU, Vellanikkara

Students' Computer Centre

The Student Computer Centre at the College of Agriculture, Vellanikkara was established in 1980 under the ICAR Development Grant (X Plan). It promotes computer literacy among students and offers IT and multimedia training to both students and staff. The centre is self-supporting through admission and membership fees, and provides high-speed broadband, scanning, copying and printing facilities.

About the training

This training programme introduces Remote Sensing, GIS, and Google Earth Engine (GEE) for spatial data analysis and environmental monitoring. Participants will learn satellite imagery interpretation, spatial data management and cloud-based geospatial processing through hands-on sessions and real-world applications. The course equips students, researchers and practitioners with skills to apply these tools in agriculture, climate studies, urban planning and resource management. Accommodation may be arranged in University facilities **subject to availability on payment basis.**

Resource Persons

Dr. B. Ajithkumar, Professor and Head, Department of Agricultural Meteorology & IT Nodal Officer, College of Agriculture, KAU, Vellanikkara

Dr. P. Lincy Davis, Asst. Professor, Department of Agricultural Meteorology, College of Agriculture, KAU, Vellanikkara

Mr. Arjun Vysakh, Asst. Professor & Secretary, Association of Agrometeorologists Anand - Thrissur chapter, KAU, Vellanikkara

Dr. Srinivasan K., Assistant Professor, Head (i/c), Dept. of RS & GIS, College of Forestry, KAU, Vellanikkara

Dr. Divya Vijayan, Assistant Professor Dept. of RS & GIS, College of Forestry, KAU, Vellanikkara

Ms. Riya K.R., Ph.D. Scholar, Department of Agricultural Meteorology, College of Agriculture, Vellanikkara

Mr. Sarath R., Research Associate, Department of Agricultural Meteorology, College of Agriculture, Vellanikkara
