GENERAL ADMINISTRATION

dt: 03.06.2017

- Read: 1. University proceedings of even No. dt:30.01.2016
2. Minutes of the 551st Executive Committee meeting held on 11.01.2017.

ORDER

The delegation of powers of the Officers under different administrative hierarchy of the University will ensure more efficient administration by decentralizing powers. Such decentralizing of powers will hasten the pace of delivery of services benefiting the stake holders.

The latest delegation of powers of KAU Officials have been approved and published in 2001. Henceforth , many individual orders have been issued with regard to the enhancement of the delegation of powers of various Officers. But the Delegation of Powers so accorded to KAU officials have not been compiled and published so far.

For the purpose of revising delegation of powers of University Officers , proposals have been invited from the concerned officers and as per the University proceedings read as 1st above, a committee was constituted for the scrutiny of the proposals for the revision of delegation of powers. The committee, after detailed scrutiny and making necessary modifications , has submitted the draft proposal. The proposals have been placed before the Executive Committee and after detailed deliberations, the Executive Committee in the meeting held on 11.01.2017 has approved the proposed delegation of powers with modifications and directed to issue orders in this regard.

In the circumstances, the revised delegation of powers of KAU Officials duly enhancing their extent of powers are hereby sanctioned and appended as annexure-I. The same will be uploaded and published in KAU website www.kau.in
