

KERALA AGRICULTURAL UNIVERSITY

PROSPECTUS FOR ADMISSION TO

Post Graduate Diploma

in

CO-OPERATIVE MANAGEMENT

2023-2024

INTRODUCTION

The changing commercial environment of today places a lot of expectations on academia. Conceptual knowledge is becoming more and more crucial to aid in the decision-making and planning processes in the dynamic business environment. In a situation when organisations are dealing with escalating problems from competition, rising expectations, quality standards, etc., a combination of theoretical understanding and practical solutions has become important. In addition to the public and private sectors, the cooperative sector—which is seen as a Third Force—observes the significant changes in the business environment. Co-operatives are expanding in terms of their number, business volume and business diversification. This dynamic and focused course is meticulously designed to equip individuals with the essential knowledge and skills required to excel in the intricate world of co-operatives. In essence, the Post-Graduate Diploma in Co-operative Management provides individuals with the necessary knowledge and perspectives to thrive within the co-operative sector, creating a meaningful difference in both business and community contexts.

COURSE OBJECTIVES

- To comprehend the conceptual and theoretical foundation as well as changes in the realm of co-operative business administration.
- To enhance the managerial skills through skill refinement.
- To take an active approach in resolving diverse business challenges faced by co-operatives.
